

Greetings to all our Brothers and Sisters in Christ!

Hello March! I don't know about you but January and February flew by and are just a blurry memory as we worked to **“Break Chains, Share God's Love, Changing Lives”**.

Our students started back to school the beginning of February. January was a month of preparation. We shopped and shopped and shopped for backpack supplies. Our Youth Group at Harvest Tabernacle assisted in sorting, packing and preparing the bags for distribution. Years ago it took much more time as we did not have this level of support in our community. It is such an amazing blessing to see these young people willingly assist in this activity. When one has much need of their own it is often difficult to see beyond your own need and the benefit of helping others. God is moving in their lives and showing them how they too can **Share God's Love**.

Your gifts and support changed lives. Proverbs 11: 25 reads, “ A generous person will prosper; whoever refreshes others will be refreshed.” Students began the school year equipped with supplies needed to begin the school year. Thank you for providing 120 backpacks for students of families which are financially challenged in Puerto Limon. Additional supplies were also sent to Youth with a Mission (YWAM) Missionaries Alex and Julia for distribution to indigenous students in the Talamanca region of the Limon, Provence. We continue to **Break Chains** of illiteracy with each student we are able to assist. We ask for your prayerful consideration of year round support for our Education Ministry. Funds are always needed to replace worn out shoes, pay for testing materials, purchase project supplies, and transportation to and from school.

We continue to look forward to serving our Lord and Savior in Costa Rica, and wherever He calls us. We pray that God will strengthen and rekindle our gifts and talents using them for His Glory. May we be the Light of Christ wherever we go. Join us as we follow our Father and where He leads in this New Year.
