Gregg stated money will be needed for Sally's Social Security. This year about \$2,000.00 will probably be due April 15th. This amount is 13% of gross income and no income tax is due. Gregg suggested we pay this quarterly next year. Gregg will take care of the amount due this year.

Website

Sally contacted Susan Lamanto (I'm not sure of spelling) in Florida. (Susan was a former mission team member.) Susan is unable to host or organize a tea; however, she stated she could help with the web page and brochures. We just need to send her information and pictures. Gregg has added pictures of the van to the website. Pictures of the Colorado team will be added. All photos on Sally's phone were lost.

The cost of the webpage is \$100 per year and Gregg has taken care of this cost.

Educational Needs

There is no balance and there are no designated funds for Educational Fund now. Sally reported 120 kids were helped with backpacks and this included church kids. Some of the kids were helped with new uniforms. There are three people on the waiting list. Some families are asking for help with textbooks and workbooks. \$40.00 was given to help a girl with college tuition. There is a big push to help graduates, especially those in the church. There are four children in church that need \$57.00 just for English books. Even though the Costa Rican government passed a law to remove the extra test to graduate, there is a fee for the university exam. Sue Crone stated how awesome it is that the kids who are receiving help are paying it forward and helping others. So, we will need additional educational funds and Sally will let us know how much.

New Van Update

Sally has only praises! She has no more anxiety attacks. The van is in excellent condition and drives well. It is very comfortable and has air conditioning! Sally is still adjusting to parallel parking. It has the connection for a camera but not camera. They prayed over the van and the Korean car dealer was very nice.

Housing Needs

Rock sheets were bought to repair damage where Marsha fell through. Funds are needed for replacement of windows, especially two, in the bedroom and living room of the mission house. Maintenance is needed at the farm and vivero. Chopping and cleaning is necessary in order to plant additional plants for the food bank. Sister Elizabeth needs to drink Ensure and Sally will take the money out of food bank funds.

Fundraising

Tea Parties:

Wanda Bentzel stated the Tea Party will be held on March 23rd at Shiloh Church. There are 48 guests plus servers. The tickets are \$25.00/per person. They are hoping to raise \$1,200 plus donations. There are no expenses. There will be at least one person at each table who has been on a team to Limon. Each guest will receive Sally's bookmarks, a tea bag, and biscotti. Everyone is excited for everyone to hear about Hearts and Hands for Jesus. Sue Crone has also talked to a friend about hosting a tea.

Sue's Birthday Donation:

Sue had a goal of \$300.00 and \$106.00 has been raised.

Lent Giving Calendar:

Marsha completed one for Shiloh.

Immediate Upcoming Needs

Sally stated Shiloh sent money for the van insurance on the old van and for a doctor's appointment in April. Crosby needs a check-up and Gregg will put \$500.00 in M & T account. Other than that there are no immediate needs.

Open Discussion

Mike stated food is not listed as a need. The Food Bank needs to be listed on the Treasurer's Report. The Food Bank is on the website.

Ornaments:

Sue Crone will bring back 200 ornaments when she returns from Costa Rica. However, when ornaments are shipped there are no taxes on the shipment. Pastor Herbert will be on vacation and Sally requested prayer for her during this time.

Mission Teams:

There is a team coming from Virginia July 5-July 12 of this year to host a VBS and other ministries. However, work teams are very much needed to work on mission house, church, and homes of church families. Marsha R. will bring a team in the Summer of 2020. There are no teams scheduled this year besides the Virginia team.

Sewing Class:

Marsha and Sue led a sewing class. They made items such as sashes, praise skirts, etc. for the McDougal Prayer Breakfast. Sue made a centerpiece that was raffled and the funds went toward the Fall McDougal Conference.

Crosby stated the ministry is strong with good word and motivating. Sally said she would be praying and looking into ministry for men and young men. She also stated there have been spiritual attacks due to all the good going on in the ministry. She asks that we all join her in praying for God's ministry and for HH4J.

Mike closed the meeting with prayer. Our next scheduled meeting is May 19, 2019.

Minutes were respectfully submitted by Sharon Meade.
