

We would love for you to meet some of the students your support assists and will be introducing you to several students throughout the school year. Hope you enjoy meeting some of these wonderful youth and children. Your love, prayers and support make it possible for many of these students to remain in school and offers hope for a better future. Many of our past high school graduates have been the first in their family to reach this milestone.

APRIL STUDENT HIGHLIGHT

Meet Jeyshaunny. She is one of nine children. She and five siblings are still in school. This February Jeyshaunny entered her first year of colegio, or high school, this would be the same as seventh grade in the states. This young lady is very quiet and faithfully attends Sunday School and Youth Group. She eagerly seeks any opportunity she is offered to learn and grow. Her great sense of humor was evidenced when she had a pie in the face during a youth fun day activity.

The following are her responses to questions when I interviewed her.

What is your favorite subject in school?

Jeyshaunny: I like science, I like to learn about how things grow or work.

What do you like to do in your free time?

Jeyshaunny: Mostly I like to draw and make things. I like to play games like UNO.

What is your favorite thing to eat?

Jeyshaunny: Rice and beans

What is your favorite thing Brother Crosby shares from the farm?

Jeyshaunny: Green mango but I like papaya a lot too.

What is your favorite story in the Bible?

Jeyshaunny: I like Genesis where it tells how God created the earth.

Please continue to lift Jeyshaunny and all the students Hearts and Hands for Jesus assists in prayer for a successful school year.
