

Greetings to all our friends and family during this time of Thanksgiving and Harvest. So much has happened over the past few months, I would like to highlight two. First, through the help of Hearts and Hands for Jesus five young ladies from our church, Pastor Siany, and I were able to participate in the virtual Remnant Conference 2021 “Dwell.” Our main scripture text was **Hebrews 4:16 “Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace to help in time of need.”** Throughout the pandemic and lock down learning to be still and entering into the throne room was what helped me to get through. I was forced because of circumstances to slow down. It brought me into a deeper relationship with the Lord and believing even more that Jesus is Better and He is Good. I dwelled in the Goodness of God. Two of the girls expressed how they learned the importance of taking time in their schedule to dwell in the presence of the Lord, and that Jesus is our High Priest. God pours out His presence so that we can draw near to Him. We were so blessed and encouraged as we fellowshiped, shared, prayed together, and grew in our relationship with the Lord.

Second, as I dwelled in Him, I was full and overflowing, it made me excited to be able to share that Goodness of God, to reach out and tell others. We opened up the church having service on Sundays, Prayer and Bible study Tuesday, and Street Service on Fridays. We began to hold a day of prayer and fasting once a month that was opened for others in the community to participate. We invited others to join us to press in and dwell with the Lord. The middle of August-September I was able to travel to the US to visit with supporting churches, friends, and family. I was able to share, witness, and fellowship with old and new friends. God gave me a message for that time on the Wedding Banquet. God wants each of us to be part of His kingdom. We are his servants sent to go out and share the Good News to be part of His family, to receive his grace and life, and to receive Christ as Savior and Lord. We are to turn from sin and put our hope and trust in him and his finished work on the cross. **Isaiah 52:7, “How beautiful on the mountains are the feet of those who bring good news, who proclaim peace, who bring good tidings, who proclaim salvation, who say to Zion, Your God reigns.”**

Crosby and I are so grateful for the outpouring of your love, prayer, and support towards us, my state side visit, and the ministry we have been called to. May we continue to serve together singing and proclaiming the Goodness of God.

In Christ,

Crosby and Sally Johnson
