

## BLESSED!

Just no other word to express how we feel after the wonderful January visit from CREW XI. It had been 5 years since a work team joined us in Limon and their visit was such an encouragement to us and our faith community.

**Blessed** by new fans being installed in the often-stifling Sunday School classrooms.

**Blessed** with fresh paint inside and out at Harvest Tabernacle.

**Blessed** by the Christian witness in worship, Sunday School and Bible School.

**Blessed** by help in assembly and distribution of back-to-school supply bags.

**Blessed** by clothing and Bibles brought by the team.

**Blessed** by computer donations and video beam for ministry

**Blessed** by the reminder that when things are unfair, when things are scary, and when life is good... GOD IS GOOD!!

**Blessed** by the encouragement of others sharing their gifts and love!

This work team lived into our goal of “Breaking Chains, Sharing God’s Love, Changing Lives.” We praise God and are grateful for the time CREW XI spent with us and each person that supported the team through prayer and financial support.

**Proverbs 11:25 The one who blesses others is abundantly blessed; those who help others are helped.**

Love and Blessings from Costa Rica,  
Crosby and Sally Johnson
