

CREW XI blessed our community with the Bible School theme, "GOD IS GOOD." Spiritual formation is an important part of the mission of Hearts and Hands for Jesus. It brings hope and encouragement to people that often feel helpless in breaking chains of poverty, hunger, and illiteracy. The past several months our Sunday School lessons continued sharing the theme of ways God is good by learning ACTS 10:38, "...Jesus went everywhere doing good," and reading stories about Jesus in the Gospels.

Our children and youth have been looking at the good Jesus brought to our world through his life, death and resurrection. The primary class has really enjoyed lessons about the blind gaining sight and the healing of many, especially the lepers. We have practiced thankfulness to God for the many blessings we receive each day and to others for their love, kindness, prayers and support. Our community is thankful for you!

As we move toward the celebration of Pentecost, we remember this was when the universal church was truly born and we are charged with sharing God's Love and Good News everywhere. May we all invite and welcome the Holy Spirit into our lives seeking continued direction toward God's will.

Muchisimo Gracias!
