

Greetings from Limon! God has been so Good over the last couple of months. The students have completed a half of year in classrooms, our harvest has been in abundance, and our church is growing as we Baptized two new members. Something very unique that has been happening here over the past year and a half.

Many of you know that Crosby and I have been doing ecumenical work in Limon and the Limon Province for several years, but our church felt called to invite other churches to prayer and fasting once a month. This is unusual here as many churches do not want to mix together here as they each have their own doctrines, agendas and programs. In obedience we sent out invitations inviting other churches to attend every third Saturday for a time of prayer and fasting. We have partners who are praying with us in Costa Rica and throughout Central America and in the United States.

God has been moving so powerfully in each of our meetings; through worship, prayer, and the word. Every meeting has been different as we follow the leading of the Spirit. Attendance has been growing each month as we pray for our city, nation, Central America, and the world. In 1994 at an Aglow Retreat a prophetic word was spoken that I have been holding in my heart, "**I am going to establish a beachhead in the Caribbean and it is going to spread out across Costa Rica and throughout Central America.**" I am believing that God is raising up his army as we come together and through his Spirit fulfills the calling and purpose of each church.

In the past years other prophetic words about Limon and Costa Rica have been shared speaking of this promise and outpouring of God. We realize that each church has its purpose and part in this movement and are so humbled that God has called our little church Harvest Tabernacle, as a church of prayer, to bring the body of Christ together in unity. Many pastors have been amazed when they come and join us saying, "We have never seen churches coming together like this before and how God has used our little church to do so." **Psalms 133:1 reminds us "How good it is, how pleasant, when the people dwell as one."**

In closing I would like to share Isaiah 60;1-3, "**Arise Shine, for your light has come, and the Glory of the Lord rises upon you. See, the darkness covers the earth and thick darkness is over the peoples, but the Lord rises upon you and his glory appears over you. Nations will come to your light and kings to the brightness of your dawn.**" Join us in prayer and fasting every third Saturday of each month as Jesus is arising in a **New Day of ministry and light.**

In Christ,

Crosby and Sally Johnson
