

STUDENT HIGHLIGHT JULY

Meet Yandell! This young man is one of the youths from the community that Hearts and Hands for Jesus has assisted since kindergarten. He lives with his Mother in the Barrio Roosevelt neighborhood. Yandell is involved in his community and has marched, or should I say danced, in the Dia de Afro-Caribbean parade with the Nefertiti cultural group.

What grade are you in and what is the name of your school?

Yandell: I am in my final year of high school and attend Colegio de Limon Diurno.

What is your favorite class and why do you like it?

Yandell: My favorite class is Social Studies. I like learning about history, Costa Rica and other countries.

What do you like to do for fun?

Yandell: Watch TV. I like action and horror movies and shows.

What is your favorite food?

Yandell: My favorite food is spaghetti.

What do you like to do with your friends?

Yandell: Dance, I like to dance a lot!

What makes you happy?

Yandell: Spending time with my Mother and having her beside me.

What are your plans after graduation?

Yandell: I plan to work and take courses through INA (National Institute for Learning). I am very interested in studying electricity, computers, and English.

Please continue to lift in prayer Yandell, and all the students Hearts and Hands for Jesus assists, especially those that will graduate this year. We will be assisting with special needs related to graduation. Your love, prayers and support make it possible for him and many other students to return and remain in school. Your support and prayers break chains of illiteracy and bring hope for a better future.
